Use both print & digital media to invite every generation of buyer to your business.

- Millennials (35 & younger) account for 50% of nonessential retail sales & use Smartphones 90% of the time to plan their day.
- Generation Xers (ages 35-55) account for 30% of nonessential retail sales & use Smartphones 50% of the time to plan their day.
- Baby Boomers (55 & older) account for 20% of nonessential retail sales & use Smartphones 25% of the time to plan their day.

American Antiquities will invite every demographic to your business.

We're young enough to get it and old enough to get it right!

We started about 20 years ago with our antique shop, The American Antiquities Gallery, & quickly grew to establish two print publications: The American Antiquities Journal & GPS Antique Atlas and three websites, AmericanAntiquities.com, GPSAntiqueAtlas.com and TheOldeNewsBlog.com

We recently merged our print & digital media with a mobile app & two digital QR code & app-linked services (iBoards (internet billboards) & Tweakable Classifieds)
